Commissioner for Patents

Regarding Information Disclosure Statement (IDS) filed 06/05/05 after notice of allowance before (or with) payment of issue fee. This lacks the following requirements: certification under 1.97(e) statement, and corresponding 1.17(p) fee, thereby, will not be considered and has been placed on file.

Regarding Amendment filed 06/05/05 after Notice of Allowance along the issue. This amendment to the specification, seems to fill-in the corresponding application number regarding a previously noted co-pending US patent application number, thereby, has been considered and will be entered.
